FOREWORD

In the study you will find the list of all swimmers medallists (first, second, third) of the FINA events of the Olympics Games and 25 and 50m World Championships.

It should be made clear that these standings only have a historical aim and not any sportive signification because comparison between the achievements of swimmers of different generations is always unfair for several reasons:

1. The period of time

- The Olympic Games did not take place in 1916, 1940 and 1944 during the World Wars.
- Women were only first admitted to the Olympic Games in 1912.
- The World Championships (50m) were swum from 1973 and then only irregularly (1973, 1975, 1978, 1982, 1986, 1991, 1994, 1998, 2001, 2003, 2005).
- The World Championships (25m) only appear on the Calendar from 1993 and were swum in 1993, 1995, 1997, 1999, 2000, 2002 and 2004.

2. The evolution of the program

The number of events has not stopped growing.

3. The impossibilities to compete

Some swimmers are unable to compete at certain events owing to political boycotts of their countries, e.g. 1980, 1984.

This edition may manifest certain errors; we hope that this will be remedied for the next edition with the assistance of our readers.

LIST OF ABBREVIATIONS

The abbreviations used for each National Federation are included at the end of this volume. However, for Germany, for the period of 1960-1991, the abbreviations FRG for the Federal Republic and GDR for the Democratic Republic have been used.

Russia, Belarus, Moldova, Ukraine...are included in USSR from 1952 to 1991. In 1992, at the Olympic Games in Barcelona, the Republics of the former USSR participated under the acronym EUN (Unified Team).

Croatia and Slovenia (in FINA) was part of former Yugoslavia until respectively 1991 and 1992.

INTRODUCTION

Vous trouverez dans cette étude la liste de tous les nageurs médaillés des épreuves des Jeux Olympiques et des Championnats du Monde FINA tant en bassin de 50 m. que de 25 m.

Attention, ces classements n'ont qu'un intérêt historique mais n'ont pas de signification sportive car les comparaisons entre les palmarès des nageurs sont toujours injustes en fonction de divers critères :

1. Les époques

- Les Jeux Olympiques n'eurent pas lieu en 1916, 1940 et 1944, pendant les deux Guerres Mondiales.
- Les femmes ne furent admises aux Jeux Olympiques qu'en 1912.
- Les Championnats du Monde (50 m.) ne furent disputés que depuis 1973 et irrégulièrement (1973, 1975, 1978, 1982, 1986, 1991, 1994, 1998, 2001, 2003, 2005).
- Les Championnats du Monde (25 m.) ne figurent au programme que depuis 1993 et furent disputés en 1993, 1995, 1997, 1999, 2000, 2002 et 2004.

2. L'évolution du programme

Le nombre d'épreuves n'a cessé d'augmenter.

3. L'impossibilité de concourir

Certains nageurs ne purent disputer leurs chances lors de quelques rendez-vous en raison de boycotts politiques de leurs pays ainsi en 1980 ou 1984.

Cette édition peut comporter quelques erreurs; nous espérons avec l'aide de nos lecteurs y remédier dans l'édition suivante.

LISTE DES ABREVIATIONS

La liste utilisée pour chaque Fédération Nationale figure à la fin de ce fascicule. Cependant pour l'Allemagne, pour la période 1960-1991, les abréviations FRG pour la République Fédérale et GDR pour la République Démocratique ont été utilisées.

La Russie, la Biélorussie, la Moldavie, l'Ukraine etc... sont inclus dans l'URSS de 1952 à 1991. En 1992, aux Jeux Olympiques à Barcelone, les Républiques de l'ancienne URSS ont participé sous l'acronyme EUN (Equipe unifiée).

La Croatie et la Slovénie pour la FINA étaient englobées dans l'ancienne Yougoslavie jusqu'en respectivement 1991 et 1992.
